Best Thing for a Bilious Attack. "On account of my confinement in the printing office I have for years been a chronic sufferer from indigestion and liver trouble. A few weeks ago I had an attack that was so severe that I was not able to go to the case for two days. Failing to get any relief from any other treatment I took three of Chamberlain's Tablets and the next day I felt like a new man" writes H. C. Bailey, Editor Carolina News, Chapin, S. C. Increase in Qualifications And Applications for Marriage Licenses.

Belated tax payers are continuing to pour into the office of Thomas W. Robinson, city treasurer, for the purpose of paying their capitation taxes in order to permit them to vote in the Democratic primary on August 8th. With the balance of the day still remaining, the indications are that the record will be broken and that Alexandria will have in the forthcoming election the largest number of qualified voters in many years. Up to noon today 1810 persons had qualified.

Not to be outdone by City Treasurer Robinson, who collected more capitation taxes this month than ever previously in the history of Alexandria, Nevell S. Greenaway, clerk of the courts, called the little god Cupid to his aid and proceeded to break the record for the issuance of marriage licenses. During the month of April he issued permits for 162 persons to marry. Nineteen of these permits were served to colored couples and the remainder to white couples. During the same month Mr. Greenaway recorded 53 deeds, which was far above the average.
